### **Exhibitors Reps Report**

It has been pleasing to hear from visitors that they are making return visits after COVID lockdown. Many are saying they made a special effort to find out just how to get to Ferry Park with the highway opening.

We are sad to have lost a few exhibitors over the past months but that opens up spaces for others to exhibit their work. If you know someone in that situation, point them in our direction.

**8x8** We have sold almost all of the 200 canvases that we allocate each year, an indication of how much our Small Works exhibition is valued both in the local area and beyond.

If you haven't picked up your entry yet, get in before they all go.

The theme this year is "A Moment in Time" which gives lots of scope for ideas.

All completed works are due by close of business on Friday 19<sup>th</sup> March with the Opening on Friday 26<sup>th</sup> March at 5:30pm.

THIS IS A TICKETED EVENT so you will need to get your ticket online. You received an email regarding this.

### **Ferry Park Gallery Signage Update**

We are waiting to hear back from Brad at Transport NSW about proposed placement and costs of signs. This has been an ongoing process and It will be a number of weeks before we receive this information.

Ainslie has spoken to Cam at Signcraft and he is putting together a quote on a road side sign on the Yamba Road.

**Thankyou to Nigel Warren for capturing drone images of our gallery for promotional purposes**
