Notes from the President

A reminder about the recent developments with COVID and the need for members on roster to be vigilant in ensuring that visitors wear masks and sign in to access the gallery and internal toilets. If a member of the public becomes aggressive and or refuses to wear a mask the duty officer should ask them to leave the gallery and lock the door if they feel threatened. The gallery opening hours remain at 9-4pm, daily.

A recent letter to Council about a number of unresolved issues, received a reply from the Acting General Manager. She advised that work was in hand to remove the barge and ferry and the delay has been because the quote for the work exceeded the allocated budget. She apologised for the delay in signing our new lease and on investigation the lease was found to be still with their Solicitor.

Preparation for the exhibition on 2 and 3 October is progressing with the entry forms now finalised and marketing is about to begin. The categories in the exhibition will be Fine Art (including sculpture), Junior Art, Woodwork, Jewellery and Patchwork/quilting. We are applying to Council for a waive of the rental fees for the pavilions. Anyone able to provide assistance in the planning for the exhibition will be very much appreciated.

5 road signs on the highway have been approved by RMS and are expected to be installed by the end of July. These signs will specifically give directions to the gallery.
