

The Artist of the Month for December at Ferry Park Gallery is a little different to usual. Instead of featuring an individual artist, we have asked our exhibitors to show us their Christmas creations.

Featured is a diverse range of hand made products including paintings, Christmas baubles, cards, kitchen linens, wooden Christmas candles, wall hangings, jewellery and many more items.

So for that last minute gift come and view our Christmas display and the regular array of art and crafts at the gallery.

We wish you a Merry Christmas and a Happy New Year
